

2008 DILLER & ODELL SUMMER BALL Registration Form

This is a combined registration form for both the Diller and Odell Summer Ball Programs. In an effort to better manage teams with our reducing numbers of students, we are joining forces to get players initially registered. We will then be able to determine how many teams we can have based on all players registered. We will come to some agreement on the fees, but it will likely be about \$10 per player, and a family maximum of \$30 has been suggested (payment will be collected later, once fees and teams are confirmed). Every effort will be made to have the maximum number of teams per age group, so that players get the most playing time. To provide input on the summer ball program, please visit the following web site: <http://dosummerball.tripod.com> to complete a brief survey (note: do NOT use a "www"). The ball associations will use input provided as guidance while determining teams. This web site survey will be open only until **March 26, 2008**, as our respective leagues will need team numbers and locations by the first of April.

Do not neglect to return this form. Team decisions will be made based on forms returned by March 26.
